FASCINATING DELICATE

What marvelous is not only shape and structure, because soul shuttles to and fro in the space. So each style is beloved, popping with vitality and passion of life.

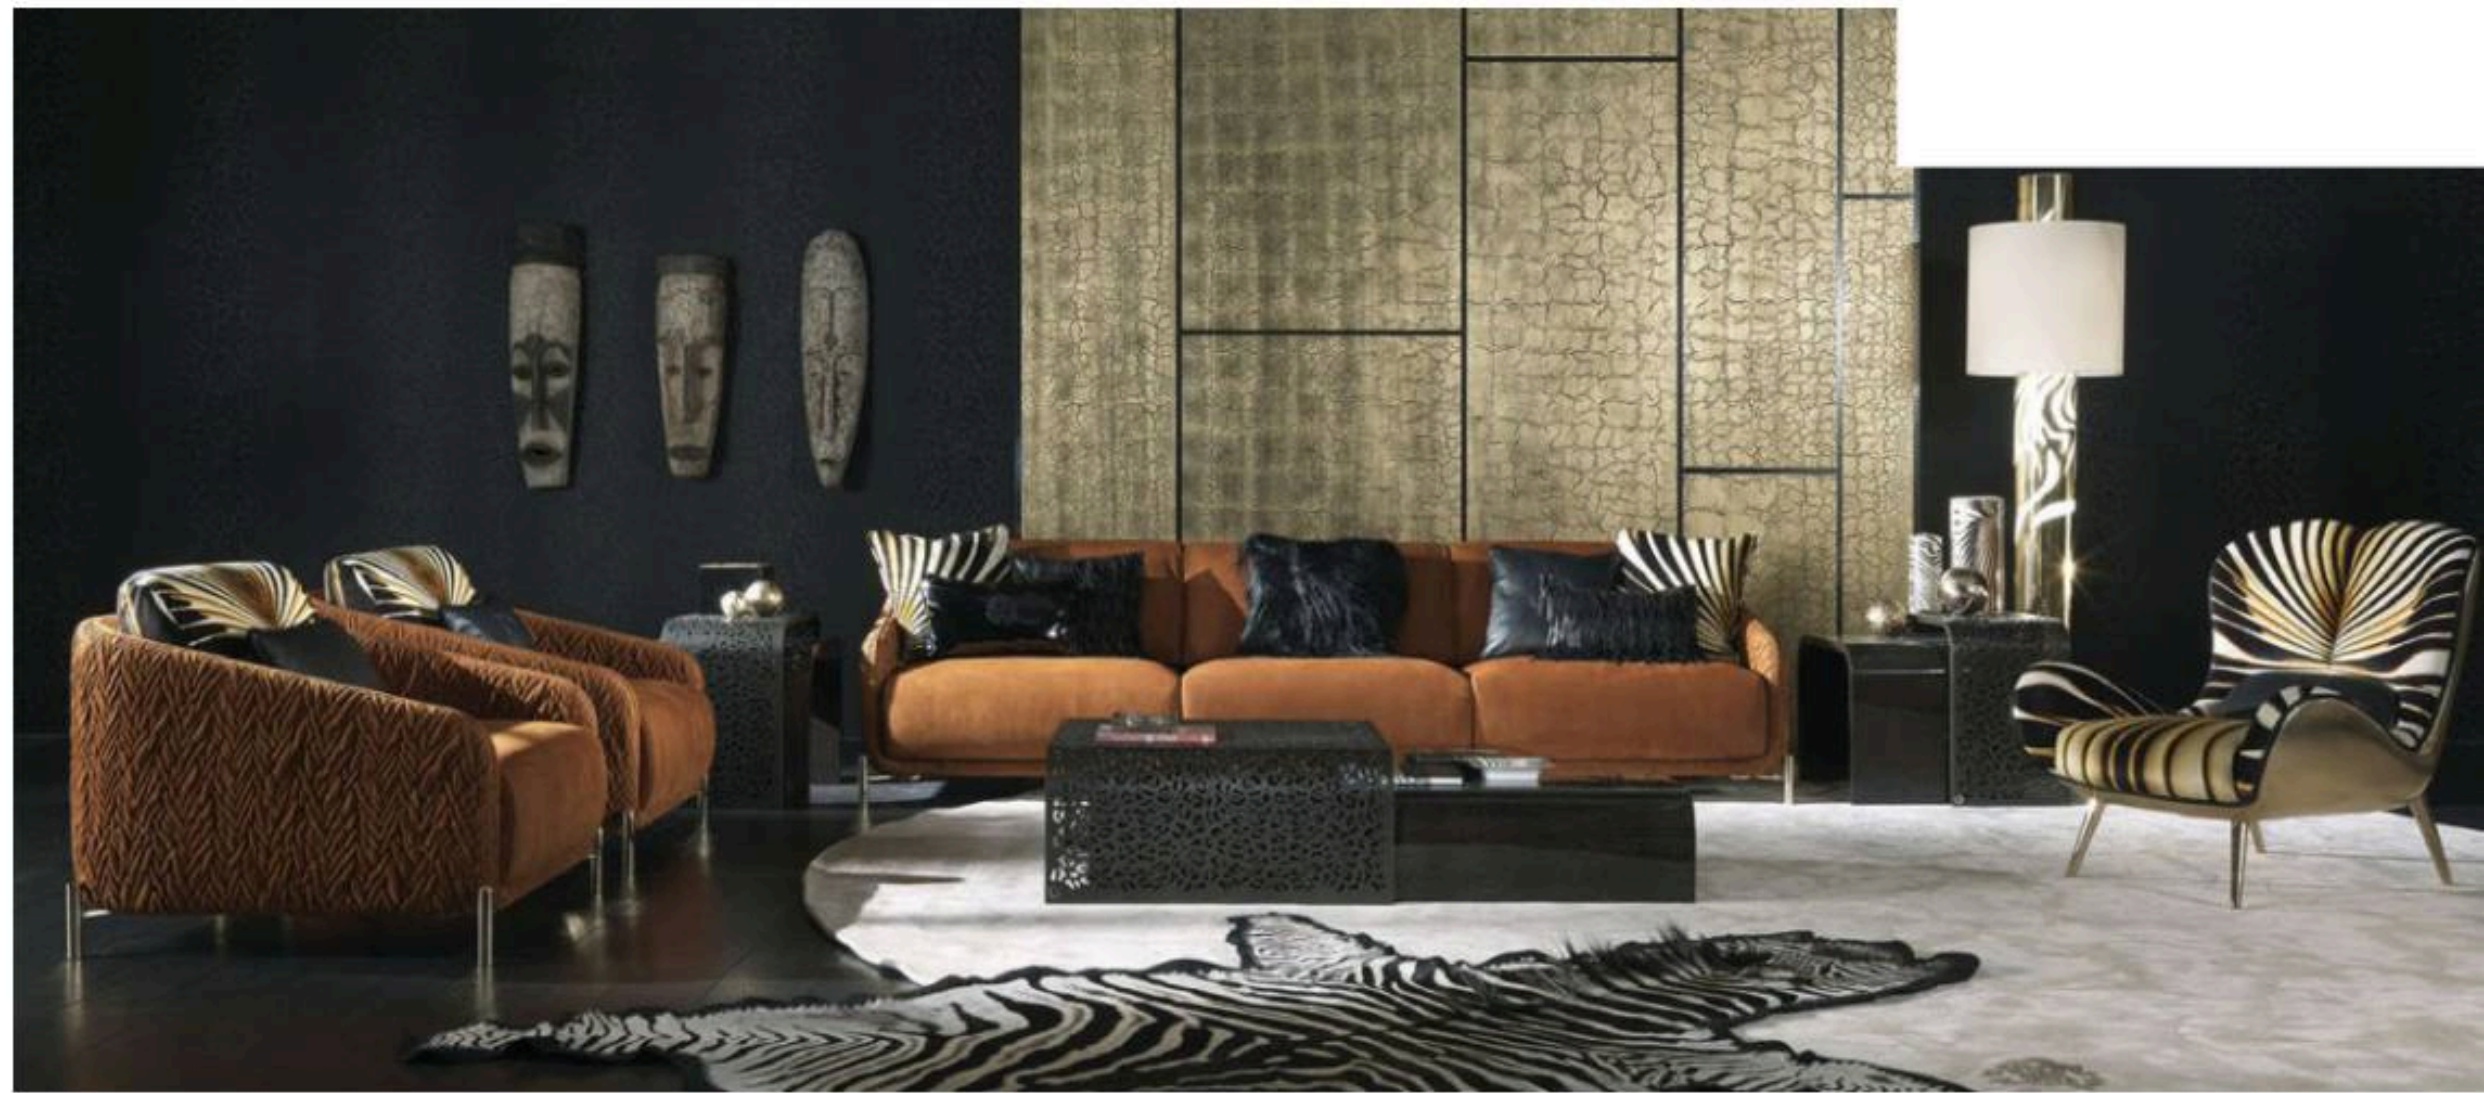

It can be like an artwork which has the connotation. Quality feeling outstands in the space. Appreciating from all angles, you can find in surprise that it is individualized and appealing. It starts from the emotion experience of heart, like the deep breath of nature. Natural, simple and fashionable beauty thus extends from here to everyday of life.

Designlife

It is the work resulted from the collision of western and oriental culture. It is the perfect integration of western modern household concept and Chinese traditional household philosophy, the fully display of classics and modern. After experiencing chaotic in the city, urbanites are eager to return to the nature. And it, can give you a harmonious, natural household space.

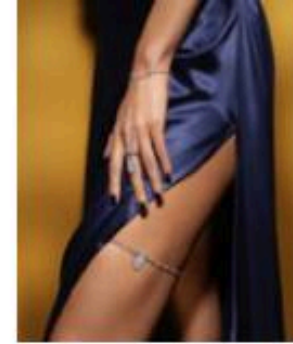

It inherits simple and bright artistic style. Instead of pursuing design taste of curve line and decoration in industrial arts, it stresses to use simple and deft straight lines to decorate living space. In simplicity and elegance, it artfully embodies modern aesthetics, psychology, structural mechanics, and human efficacy in design and structure of the product. The solid wood is filled with unknown memory, so when the carving knife touches the wood, the accumulated strength in the wood begins spurring endlessly, as long and concrete as the sculpture.
